

smart hum assassin

ELIMINATES EARTH LOOP & HUM NOISE

The Smart Hum Assassin was manufactured to cater for problem sites where earth loop or hum noise is a concern

Installation and commissioning can be held up by this issue

The Thor Smart Hum Assassin eliminates noise by using a torroidal transformer to isolate the earth line. This removes the frequency noise being generated and solves the problem

Rating: 1200 Va
Input: 240V
Frequency: 50 Hz
Output: 230V
Max capacity: 5 Amp
Connections: 1 x iec input; 1 x iec output
Installation: 19" 2ru rack mount or free stand
Colour: Black
Weight: 15Kgs
Dimensions: 79mm (H) x 254mm (D) x 482mm (W)
